LUCACI FLORENTIN - NEVASTA MEA

NEVASTA MEA

E iarna grea afara vant si ger
 Fulgi de zapada cad din cer
 In casa sobele de fonta frig
 Pisica de frig s a facut covrig
 Ard lemnele cu mare valvataie
 Carbunii aprinsi frigul inmoaie
 Sunt cateva zile pan la Craciun
 Ai facut cornulete cu magiun
 Si ce iti veni tie de odat
 Ai iesit in oras pe nserat
 In pardesiu la gat cu naframa
 In cap caciula mare de blana
 Rosie la fata de vant si de ger
 Fulgi de zapada topiti efemer
 Cautai carti bune prin librerie
 Exact cum imi placea si mie
 E iarna afara eu singur acasa
 De ger si zapada nu mi pasa
 La bloc toate caloriferele reci
 Parea ca asa vor fi in veci
 Eram mi amintesc in sesiune
 La ce obiect mi e greu a spune
 Un fel de vacanta de iarna
 Cu frig si cu multa zapada
 De atata invatat lucrat si citit
 Pe inserat eram deja obosit
 Si am decis si eu ca oricare
 les si eu la o mica plimbare
 Desi imbracat cu palton
 Si n bocanci ca un domn
 In fata batea crivatul aprig
 Si de frig imi venea sa strig
 Am intrat unde mi placea mie
 La cald in aceeasi librerie
 Cautand carti bune prin rafturi
 Te am vazut inchisa la nasturi
 Un zambet amplu mi ai afisat
 M a incalzit nu m a deranjat
 Reflex la zambet am raspuns
 Erai deja un mister de patruns
 Apoi am dat de doi ochi caprui
 Ce acum nu furau inima oricui
 Cartea in sa o clipa m a distras

Despre mine

FLORENTIN LUCACI is a
 Romanian Master of Science

Designing Engineer being in present Designing Senior / Lead / PM Instrumentation & Control Process & Telecommunications Engineer Oil & Gas. FLORENTIN LUCACI is also Inventor and Art Creator Author In the field of Oil & Gas he design supervise and / or manage big and very important projects in the energy sector. FLORENTIN LUCACI is the Inventor of Invention LIF on short name invented by him on Google Facebook and YouTube Worldwide intelligent servers and networks supports. His Invention LIF will be applied Worldwide in the field of Copyrighted Online Creations and many other technical fields. FLORENTIN LUCACI Invention LIF will be applied by GOOGLE YouTube, YouTube Red and Facebook Top Management and Designing Engineering Development Divisions and Network Integration and Interface Divisions, all Major IT Hardware and Software Companies Worldwide, all Major Fixed and Mobile Equipments Producers Worldwide Desktops, Servers, LapTops, Tablets, Smartphones both Android GOOGLE and Windows OS operated, all major Telecommunications Hardware and Software Companies Worldwide, all

Ai disparut singur am ramas
 Am lasat cartile am lasat tot
 Cum puteam fi atat de idiot
 Am iesit repede din librerie
 Afara la ger zapada si urgie
 Macar un semn de ati da tie
 Nu era nimeni pana n periferie
 Si trist m am intors in galerii
 Urcand treptele incet la etaj
 Imi ziceam ca n am avut curaj
 Ca un papa lapte sau iaurt
 Din prima eu te am pierdut
 Nu tu tu tu pe o usa ai aparut
 Direct spre mine tu ai venit
 Noi doi din nou ne am intalnit
 P aci ce cauti te am intrebat
 Ce ai raspuns n a mai contat
 A fost frumos ce a urmat
 Iubire mare ca n povesti
 Am asteptat un pic sa cresti
 Si n iarna aceea mare
 Mergeam peste zapezi
 Nu mai faceam carare
 Nu iti venea sa crezi !
